Eco-Committee – Message from Ms Gibert

The eco-committee is delighted to announce that they have raised £67 through a bake sale and penalty shootout in the last 2 weeks. New recycling bins for classrooms will be purchased. More fundraising will be organised to ensure every classroom is equipped by July 2023. The students involved have also planted over 200 bulbs in our "make a place for nature" strip of land. Thank you to everyone who has been supporting our fundraising events. A big thank you from me to Fabio N and Dawid P and also to all students who get involved and who work very hard recycling and planning every Thursday after school.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has."— Margaret Mead

World Cup

We have given our students the choice to watch the England World Cup match in school on Monday 21/11/22. We have rearranged lunch times so there is minimal disruption to learning. Students who do not wish to watch the match will have specified classrooms to go to. This is the only England match during school time!

Have a great weekend everyone. We are still finalising our Advent Appeal information and Christmas event timings, this will be sent out on Monday next week!
